The Offg Senior Surgeon's letter No 9612 dated the 15th June, 1904.

~~~~~~~~~~

The provision made in the current year's Medical Budget is as follows:—

	Rs
(1) Travelling allowce to Durbar Physician	1500/.
(2) — do — to Hospital Asistants and Estts	5600/.
Total Rs	7100/.

The amount expended under the above two heads upto the 30th April, 1904, is Rs 13,783, and a sum of Rs: 2900/. is estimated to be required for the remainder of the year, or in all Rs: 16683/ against the Budget grant of Rs: 7,100/. The additional allotment required is thus Rs: 9,583/. Towards this additional

additional amount required, the Senior Surgeon points out that a sum of Rs. 4583 is available for reappropriation under other sanctioned heads of the Budget. For meeting the balance of Rs 5000/-, the Offg Senior Surgeon requested the Offg Comptroller in his docket No 599 dated the 10th June 1904, to point out to Govt savings, if any, in any other Budget. The Offg Comptroller returned the Senior Surgeon's docket of the 10th June, 1904, stating that as the reappropriation involved an application for additional grant, reference should be made direct to Govt as required by para 4 of G.O No Fl 287-326 dated the 31st July, 1903. (Please see monthly volume for July 1903 put up).

In the above circumstances, the Offg Senior Surgeon submits the correspondence between himself and the Offg Comptroller, and requests on the subject, and requests very early orders of Govt.

Submitted for orders.

21/6/04

The

point for orders is, whether in addition to the reappropriation proposed, an additional allotment of Rs 5,000/, may be sanctioned to the Medical Budget out of the lapses & savings surrendered & placed at the disposal of Govt as per Govt. Pro: No 7c 287–326 of 31st July 1903. The matter may perhaps be dealt with in the Financial Branch.

The Senior Surgeon ought to have noticed long before 21-5-04 that he had exceeded the Budget grant and arranged for providing the necessary funds

The expenditure under Travelling Allowance in the Medical Budget for the current official year to Officers and Establishment, is expected to exceed the amount provided (₹7,100) by ₹9,583. This large excess is due mainly to the constant travelling of Medical Officers on plague duty , and the amount being required to be debited to the same head in the Medical Budget to which their pay is charged, as per Government Order No.G.1452-3, dated 11th September 1903. There is, however, a saving of Rs. 4,583/- and the reappropriation proposed by the Senior Surgeon may be sanctioned. An additional grant of ₹5,000/- to make up the above mentioned excess of ₹9,583/- may also be sanctioned. The Councillors are agreeable to the proposal. The Senior Surgeon should not have delayed this application for funds till almost the end of the official year.

To

Secretary to the Government of Mysore,

General and Revenue Departments.

Sir,

I have the honor to report for the information of Government that the amount of travelling allowance passed to the Hospital Assistants up to the end of April '04, is more than double the provision made therefor in the Budget. So far back as December last, I invited the attention of the Senior Surgeon to this extraordinary rate of increase and requested him to arrange for sufficient funds being provided for meeting the anticipated expenditure for the whole year. I regret I have not heard what action has been taken in the matter by the Senior Surgeon. In the meantime the Travelling allowance bills of the Hospital Assistants which have long been deferred are being received in very large numbers and their audit is adding to the excess over the Budget provision.
